Appeal to Support COVID-19 Reliefs for India

India is badly hit by unprecedented health crises of not only the second wave of COVID-19 cases sweeping through the country but also fuelling with the outbreak of black fungus mucormycosis epidemic across the country and new emerging white fungus disease (Candidiasis) ,both of which quickly spreads to different parts of body and needs immediate treatment within few hours for the patients including surgical intervention.

According to experts, Covid 19 patients are more vulnerable to this fungus disease which acutely affects the lungs and other body parts including nails, skin, stomach, kidney, brain, private parts and mouth.

India's health care system is stressed and virtually inundated with record number of daily rising covid -19 cases of over 300,000, new fungus outbreak and of over 4000 daily death fatalities. The health care facilities and hospitals are struggling to cope up with such rising number of patients and facing acute shortage of hospital beds, ventilators, oxygen, medication and food supplies for the patients. India requires immediate more help to meet these growing demands.

The Hindu Association has decided to raise funds to send oxygen concentrators, Ventilators, medicines and other necessities of as much as possible quantity to different parts of India. Please stand with us, in this fight by donating generously for the noble cause and spreading the word among your friends and relatives.
